

The Hayward Project Space

Including Waterloo Sunset Pavilion and Project Space

Waterloo Sunset is an elliptical glass pavilion, and is considered to be an artwork in its own right. It can be hired in conjunction with a private view of the current exhibition or on its own and is an exceptional space for events. The Pavilion opens out into the Project Space which houses a rolling programmes of small exhibitions.

Dimensions	Pavilion approx 10.5 x 6.5m Project Space approx 12.5m x 8.5m
Capacities	Due to licensing restrictions, the maximum number of guests in these spaces must not exceed 60, regardless of the style of event taking place.
Air conditioned	Yes
Lighting	Overhead lighting only. Lots of natural light as the room is made of glass. Other lighting available via Southbank Centre Production.
Furniture available	The Waterloo Sunset Pavilion contains some low, soft chairs and stools, which can easily be moved. Furniture available elsewhere on the site (eg poseur tables, coffee tables) can be moved to this room subject to availability.
Finishes	Pavilion: glass walls and glass ceiling, rubber tiling on floors. Project Space: changes depending on the art installation in situ at any one time.
Additional/associated spaces	The main reception area of the Hayward can be used as an additional space for registrations.
Outside space	A substantial balcony runs round the Pavilion.
Access	Both spaces are disabled accessible. There is no Goods Lift to these spaces, all equipment is taken via the passenger lift.
Toilets	Toilets are located off the main reception area one floor below.
Kitchen facilities	This room has its own dedicated food preparation area located at the back of the room.
